

# SUMMER CAMP 2026

Proudly serving the community for over 20 years in youth sports and activities. Stars & Stripes Athletics Summer Camps offer an exciting, high-energy experience for children ages 4-12 years. Campers enjoy our spacious outdoor grounds and indoor, air-conditioned facility while building confidence, creativity, and friendships through hands-on activities and movement.

Throughout the summer, campers will enjoy special character visits (offered at specific camps), animal encounters (Nature Camp) and our popular Foam Party Fridays—plus so much more! Whether your child loves to imagine, create, compete, or explore, there's something for everyone.

Families can choose single days or full weeks, half-day or full-day options, with early drop-off and late pick-up available. Morning and afternoon snacks are provided. Full-day campers may bring lunch or enroll in our daily hot lunch program.
